

CCB and ASB jointly organised the 10-day “Belt and Road” Financial Cooperation and Group Collaboration Training Programme on 14-23 July 2019 in Kuala Lumpur.

This programme was undertaken by ASB, in which Iclif provided part of the courses. In addition to the classroom sessions, the following learning tours and site visits were organised for participants to engage with market leaders to network and better understand Malaysian environment for a more enriched learning experience.

- Alliance Steel
- Asia School of Business, Sasana Kijang
- Kuantan Port
- Local Affordable Housing Project
- Malaysia-China Kuantan Industrial Park
- Proton Centre of Excellence
- Vanke Experiential Hall
