

Transfer and Payment

Single Transfer

Intrabank transaction refers to a transaction exchange within CCB Malaysia where both remitter and beneficiary are CCB Malaysia customers.

Single Payment

Single payment refers to a transaction initiated by a customer to beneficiary in other banks via IBG, RENTAS and Global Payment. IBG and RENTAS allow domestic payment in MYR to all participating banks whereas Global Payment allows international transfer.

DuitNow

DuitNow is real-time electronic fund transfer service with 24*7. Small-Medium Enterprise (SME) clients are able to accept QR payments by displaying DuitNow QR to their customers (*coming soon!*).

Batch Payment

Allow customer to submit batch payments in standard template for IBG, RENTAS and Global Payment; and upload the file via Corporate e-Banking with dynamic code and password.

Scheduled Transaction

Allow customer to submit future dated transaction.

Recurring Transaction

Allow customer to initiate recurring payment with required frequency and end date.
